Art Unit: 2154

1. All claims are in condition for allowance. However, the original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.

2. Applicant is reminded to submit a listing of all prior arts cited in parent case in PTO-1449 form.

Reason for allowance:

3. Claims 1-29 are allowed over prior art of record because the arts of record fail to teach or suggest providing information services in a telecommunication network by utilizing reconfigurable software modules wherein the software modules are dynamically reconfigured during the execution by loading external policies/rules in response to user's input.
